Welcome to Right of Way Professional Certification Program!

What is the RWP Certification?

The Right of Way Professional Certification (RWP) is the third level in a four level generalist program leading to the SR/WA Designation.

While the RWP may be a specialist in one area, they must also be familiar with all disciplines associated with the right of way profession. The RWP certification reflects evidence of professional accomplishment in the right of way profession.

Stay Ahead of the Curve

Today's marketplace is crowded and complex. To develop a solid, competitive advantage—and to remain ahead of that curve—you can rely on a RWP Certification to prepare you and your company for whatever lies ahead.

The Only Name That Counts

IRWA stands for the highest standard of excellence. As such, a RWP Certification is a rigorous process that will work to differentiate you from other professionals. Our high standards have enabled us to create a distinction that is universally respected by customers, businesses and colleagues across most disciplines.

The Right Stuff

Companies with employees that are IRWA certified report impressive results. Certification can often win business in competitive situations. Certified professionals often make better employees. They tend to exhibit higher productivity, reduced learning curves, increased technical competencies, lower error rate, and a higher level of job satisfaction.

Individual Benefits

Earning the RWP Certification will help boost opportunities and salary potential. The RWP Certification expands employment opportunities, increases salary potential, boosts chances for career advancement and demonstrates professional commitment.

Benefits to Employer

Employers also benefit from the RWP Certification. They will be rewarded with higher employee retention, increased productivity and a boost in employee morale and confidence. The Certification enhances employee skills through multidiscipline training and examination. Retaining experienced staff is an enormous competitive advantage for any employer.

We congratulate you on your decision to pursue the RWP Certification.
